Communication Letter

In order for the application to be further processed, the applicant is request to comply the following:

1. Requirement an additional \$165.00 payment for the request of extension of time, as this request is filed on 6/23/06.
2. The 3 amendments, filed on 6/6/05, 4/2/06, and 6/23/06, are all non-compliant amendments. These amendments were not written in the format as set forth in the 37 CFR 1.121. Two letters of Notice of Non-compliant Amendment were sent, one on 3/28/06 and the other on 6/16/06. However, the applicant has not sent any supplemental amendment to correct the non-compliant issues for the amendments, particularly for the most current amendment, filed on 6/23/06.

The applicant is suggested to take the following actions:

- (1) Make an additional \$165.00 for the request of extension of time;
- (2) Submit a supplemental amendment for the most current amendment filed on 6/23/06. In this supplemental amendment, the applicant should include any changes in the drawings, the claims, and the specification. Make sure that the amendment format must be written to comply with 37 CFR 1.121 such as: to underline new wording and to strike through old wording that being changed in the claims and in the specification; to identify the most current status of each claim, e.g., if the claim is changed, then the status identifier "currently amended" should be included right after the claim number; if the claim remain unchanged, then the status identifier "original" should be included right after the claim number.
